"I have so enjoyed the difference this plan had made for me. A simple 3 step process that allows you the opportunity to grow, stay on track, and look back in an index card format! The infamous words of C.S. Lewis 'You are never too old to set another goal or to dream a new dream...' I embrace this, and the 3x5 Plan helps me recognize the importance of choices. How we use time, who we choose to have in our lives and our tendency to procrastinate can be choices we are accountable for. Thanks Scotty!"
