The Armed Forces Recipe Service is a large collection of high-volume, standardized food service recipes developed by the United States Department of Defense and used by military chefs, institutional and catering operations. All of the recipes have been developed, tested and standardized for product quality, consistency and yield. The U.S. Dietary Guidelines were among the many considerations in both the selection and development of the recipes. Many of the recipes have been modified to reduce fat, salt and calories. For new and experienced cooks, consistent use of standardized recipes is essential for quality and economy.

Broken into two volumes due to its size, the Armed Forces Recipe Service contains over 1,600 tested recipes calibrated to feed 100 people and easily adjusted up or down to adjust portion size depending on the number of people being fed. The recipes contain a basic nutritional analysis as well, detailing calories, carbohydrates, protein, fat, cholesterol, sodium and calcium.

Both volumes of The Armed Forces Recipe Service must be purchased to have the manual in its entirety. This volume, Volume I of II, holds the following sections: General Information, Appetizers, Beverages, Breads and Sweet Doughs, Cereals and Pasta Products, Cheese and Eggs, Cakes and Frostings, Cookies, Pastries and Pies, Puddings and Other Desserts, and Desserts (Sauces and Toppings).

Armed Forces Recipe Service: A Cookbook for Large Groups(Volume1)

By Ruby E. Hutton

I give this book a 5 Star rating because all of the recipes are authentic. AS a retired NAVY Chef, I am very familiar with most of the recipes, having used or experienced them. All of the recipes are delicious and nutritious, and although the portions are for 100 servings, the recipes can be easily converted for any amount. I am thrilled with this purchase and I bought both volumes, so that I will never have to purchase any other recipe books.

These 2 books were just what I was looking for.

By Hickory Smokin Steve

I moved into a senior citizen mobile home park last year. It's much nicer than you would think, Everyone takes care of their home and the entire place shows pride of ownership, but I digress. Every Friday night at our recreation center, we have rotating teams of volunteers that cook dinner for roughly 75 people. Since I used to cook in the Army and made my living for years cooking for 2000 or more per meal, I soon found

myself not only on a team, but leading it. I was able to draw from my years of experience as far as techniques and methods, but found myself lacking with recipes. These 2 books were just the thing I needed. Yes, military cooking has a bad reputation, but I assure you, it's not because of the recipes. It was the cook that didn't care about his finished product that has given Army food a bad rap. Yeah, as with any cookbook, there are a few recipes that are just not all that good, but for the most part, these recipes will produce very tasty results.

Armed Forces Recipe Service: A Cookbook for Large Groups (Volume 2)

By Ruby E. Hutton

I chose this rating because I purchased Volume 2 along with Volume 1, so that I have the complete set. I am thrilled with this purchase, as I have been searching a very long time for these recipes from my days as a NAVY chef. Bravo Zulu, Amazon!
