About the Author

Joe Geiger spent 55+ years as an entrepreneur, starting, building and selling a variety of businesses, two of which employed over 120 people, one had four locations in three western states. They ranged from small service businesses to a multi-state sale and service business, plus three manufacturing companies. The business structures of these 11 businesses were four Sole Proprietorship's, one C Corp., three S Corp, and three LLC. He financed several personally, one with the help of a supplier, two with stock holders, and one by a 5 million dollar self-directed regulation "D" public stock offering. Interspersed in his business life were two attempts to retire plus a short stint of working for a friend's company, where he designed and implemented a multi-media sales program that doubled the company's sales in one year. Shortly after he retired he started teaching college-level entrepreneurship and business management. In 2011 he wrote the book, Entrepreneurial Success, 101 Business Principles, The Road to the Top. This is the Third Edition of that book. The content has been expanded by over 30%, plus the addition of a very important principle on how to consistently hire successful employees.

A Must Read for Any Serious Entrepreneur
By Jawanza4Life!!
This book is a must read for any and every entrepreneur. The principles outlined are practical and can not be overstated. My wife and I have read this book twice already and look forward to reading it for a third time including the new principle! If you want to have a leg up in business then learn from a professor with over 50

years of hands on experience. Professor Joseph T. Geiger has started 10 businesses and shares his expertise in the pages of this monumental work. Read, and apply the principles shared in "Entrepreneurial Success: The Road To The Top 102 Business Principles" and create the successful business you've always dreamed of!
