'This workbook, with chapters on the biomechanics of sitting, standing, and lying down, serves as a wonderful introduction to what Ms. Wheeler teaches on how to 'be-friend my pain'. -Kathryn L Hahn, PharmD, DAAPM, CPE Pharmacy Manager, Bi-Mart Corp. Chair, Oregon Pain Management Commission Affiliate Faculty, Oregon State University College of Pharmacy 'It is very pleasing to me to see a major shortcut established by one of my students after having spent a good part of my life sharing my professional experience in the domain of movement with awareness'. Alain Gehin, D.O. Barcelona. February 2012

## Most helpful customer reviews

1 of 3 people found the following review helpful.

Great !!!!!

By Linda Stoyanoff

Yes, it was just what I needed.

Simple things I can do to help my body.

With simple ways to understand.

When I do these things and see how easy

it is to do them, how they work and how I feel after.

I am thankful for someone like Mary .

Linda
