An absolute waste of money

By Zuzana Johansen

The book is so poorly written, I can't even believe it's being sold. It does not seem to have a lick of copyediting/proofreading done to it, and way too many sentences are not even grammatical. An absolute waste of money. I had to abandon it about 30% into it because it was just impossible to get anything out of.

Five Stars

By UT

Good book on SQA. Will recommend
