While the traditional view of leadership revolves around authority, responsibility, or title, author Dave Weber, shatters these notions with groundbreaking insights that reflect a new reality.

A leader is anyone who has influence.

Take a look at any group of kindergartners on the playground. Not one of those little stinkers has a title, but there is definitely someone in charge, influencing what's going on. While most people traditionally look to the top of an organization or department for leadership (in theory, that is!), the highest performing groups in companies, schools, clubs, or sports teams have members who demonstrate leadership at every level. These leaders without the title have latched on to the profound reality that because they have influence, **THEY LEAD.**

Discover Weber's 12 X's for today's leader and learn simple strategies that can make a positive difference in every area of your life.

Great book for both professional and personal life

By Super Dad

I've had the opportunity to attend several of Dave's training sessions on Leadership and each time walk away with something new that I learned. While face-to-face training sessions offer some great discussion items, I find that most of the time people, including myself leave charged up, but then slowly fade. What I like about the book, Leadership Redefined, is that I have a manual to keep with me and refer back to on a regular basis when I need to be reminded to "Exchange Non-Essentials". You will learn more about this "X" and many others in the book that can be applied to every aspect of your life. This book is an easy read filled with stories from Dave that help illustrate his thoughts in a way that is simple to understand. I think you'll find after finishing the book that you'll be a better employee at work, but more importantly a better parent, spouse, friend, and person.

A Fresh New Take

By mary J. Alvey

Dave Weber's Leadership Redefined is a refreshing new take on leadership. He explains and coaches the reader through each of the 12 steps by offering several ways to accomplish each step. The book is very interactive with surveys, quizzes and activities to help clarify points. His stories help to make his advice personal and relevant. I especially like untraditional definition of a leader as anyone who has influence. I recommend this book to everyone because we are all accountable.

Great read for everyone!

By Josh A. Williams

Dave Weber did a fantastic job illustrating the importance of being a leader in any position! I would recommend this book to everyone from a CEO to a receptionist and guarantee it will have a great impact. What an eye opener to see the little things in my life that can effect the world around me. This is a book that

I will read again and again and again!!
