Priceless

By AMS

What a great idea--interview people from all walks of life, asking them to express the best value they got for about ten dollars. That's what author, Carlos Fontana did and managed to publish sixty-six inspiring stories of reflection and love, with contributions that can change perspectives. In knowing Carlos is one who believes in trying to make a difference with the talent God has given him, it doesn't surprise me that he would write a book that celebrates the human spirit like Priceless does.

The book is easy to read. One can just pick it up at any moment and read a snippet while on a lunch break or sit and relish the entire book in one setting. There are illustrations throughout and each short story poses a thought-provoking question or inspiring quote at the end of its reading. The stories are on varied subjects and cover many aspects of human emotions and life circumstances. To read that a love story began with a piece of chewing gum, really amazed me! This book is packed with big heart-felt expressions!
