Great lessons by a great teacher...

By iflatpick2

What can I say...Russ is a great teacher. I enjoyed the material presented in the lessons a great deal. As a matter of fact, it is so good that even though I had purchased it years ago when it was packaged with cassettes, I decided to buy it again to have the cd for quick song access. I only wish Russ would make available the "20 Fiddle Tunes For Guitar", previously produced in cassette version, available in cd format!
