Love Parker Williams!!

By Janorris

ARC received for honest review

By writing this review I am acknowledging that the series is over. I'm not ready to admit that. I'm not ready to stop reading about Parker Williams. But in Lyra Parish fashion, she doesn't make the ending easy on us. I read all day and into the night to finish this book. I wasn't going to stop until I knew what happened. Well worth staying up late into the night. I fell in love with this series and Parker and Roxanes story. A series that will make everyone want a Parker Williams of their own!

All I can say is Thank You Lyra Parish for bringing us the Single Series. I'm thrilled to be able to have read and reviewed all three. I will miss Parker but know there will be another character from you to fall in love with.

Perfect end to a brilliantly written and sexy series.

By Jen with Moments in West FL

Rox and Parker are just perfect together...from the start their chemistry was something that couldn't be denied...to see it grow throughout the series has been a joy to behold. Between the secret glances when nobody should know and the sizzling moments when they were together, it's just a steamy sexy series you can't help but smile reading. It's not all perfect and sunshine, they face challenges and a particularly nasty man who wants to have Rox for himself. But Parker is just brilliant and a complete rock for Roxanne....from calming her fears to bringing her to the heights of ecstasy, Parker is smooth and swoon-worthy! A definite must-read and not to be missed series!! Perfect end to a brilliantly written and sexy series.

I liked this lovely ending for Roxane and Parker

By Derna Fearon

*** I received a copy of this book in exchange for an honest review ***

SINGLE 3 by Lyra Parish was the final installment in the Single series and Roxane and Parker's story. I was looking forward to seeing if these two would get the happily ever after they both deserved.

"Parker mother effing Williams was a time thief, stealing my thoughts, dreams and memories and replacing them all with himself."

The story picks up where Single 2 ended and having returned from New York with Parker Roxana knows she needs to stop fighting her heart as it knows that Parker is the man for her. Parker, of course, has never questioned this he knows Roxana is the woman who has his heart.

However, outside forces may not agree. Roxana needs to decide what she wants and if she is finally going to break all her rule's and follow her heart.

"His talons had found my heart and pierced through it, claiming it as his"

"You stole a little piece of me and I don't want you to ever give it back. You've got me in your spell, babe, and I hope you never let me go"

It's been a while since I read Single 2, and I soon remembered why I love Parker sexy, protective, caring and alpha. Loved that way he was with Roxana. These two are definitely hot together, and I loved seeing this but also loved the tender moments between them. I enjoy this series, and it was a lovely ending for Roxane and Parker.

If you're looking for a hot sexy read then I would one ~ click this one today you won't be disappointed.
