This 2017 edition of our review book is for exams between April 1, 2017 and February 28, 2018.

Teeline publishes compact reviews for the CPA exam. Our books and posters are meticulously researched, and we write with full context and clarity.

We do not believe students must memorize 300 pages of review to pass the CPA exam. And, given fewer pages, we find that students have greater retention.

To lighten our books, we use wider page margins, decrease font, and eliminate redundancy. We use tables because they structure and compare information efficiently. We teach with examples. And we improve the quality of our writing.

The result is AUD in 28 pages.

Teeline does not publish multiple choice questions. But there is a free way to practice hundreds of MCQs: [www.cpareviewforfree.com](http://www.cpareviewforfree.com).
