Unique and Potentially Life Changing Process

By Amazon Customer

Most of my life I have had a very deep longing to know the absolute Truth... about Life... about God... about my part in it all. In the latter years of this life the search for Truth intensified. I have read countless books. I have taken many courses. While I have thought on a number of occasions that elusive Truth was discovered... after some time and after difficult challenges there was the realization that no, lasting and undeniable Truth and Peace remained a mystery.

Floyd's books and guidance have changed all that. If you have an unquenchable desire for ultimate Truth and for the knowledge of who you really are... and you desire a peace that is unassailable... that will never leave... I cannot recommend any book and method more highly.
