Mac is a grief-stricken father in mid-life about to have an extraordinary experience with God. His great sadness began four years ago on a weekend camping trip, when his 6-year-old daughter, Missy, was murdered. What he couldn't know then, but is about to learn, was God's purpose for Missy's death. Roger Mueller's clear, gentle voice characterizes Mac's family with high-spirited joy and laughter. His portrayal of Missy's animated excitement makes her especially believable. His polished performance of grief-stricken Mac brings tears. With empathy and sensitivity, Mueller captures the mysterious voices of those who have invited him to the now abandoned, yet transformed, cabin in the wilderness. This compelling fantasy explores themes of love, loss, and blame. G.D.W. © AudioFile 2008, Portland, Maine-- Copyright © AudioFile, Portland, Maine

My daughter is slowly killing herself after losing her first born soon to a horrific accident. Being that he was also or first grandchild we were all devastated. I choose to believe God is good and He will guide me and my daughter and my entire family to Him and heal us...finally. This book is the beginning of that healing. I will share it with all of them. Thank you!

Timing is everything.

By Miss JoNell

I didn't read this book when it first came out , I didn't have the interest. However, we lost our youngest daughter to suicide 16 months ago. When friends of mine saw the movie, they posted on fb how good it was. I decide I would read the book. My heart has ached for the things written in this book. God is good, and healing comes as we forgive and give God the things we cannot control. This is a wonderful book I would recommend to anyone. I'm so glad I read it.

Very profound and thought provoking. I will never look at relationships the same way - God truly does work in mysterious ways. This book opens up the mind and soul to new possibilities and choices for life in loving relationships as we were created to be. Breaks down the barriers that hold us back ... cuts through all the crap and gets to the heart of the matter.
