The African dog, or Africanis, is the original domestic dog of Southern Africa, whose ancient origins can be traced back to the prehistoric wild wolf packs of Arabia and India. This unique and fascinating study recreates for us the journey of the dog's primitive canine ancestors, from it's earliest presence at the fire of Stone Age humans, through the evolution from wolf to protodog to domestic dog and subsequent migration into the African continent with nomadic Neolithic herders.

worthwhile read for anyone interested in dogs

By burnmeister

This book was a bit of an eye opener to me - It made me appreciate this amazing breed (bred by nature) and showed me how horribly wrong our human made breed monstrosities has gone.
