They call me Sundown; this is my life story. I was a miracle baby who grew up to become one of the longest active members and leader of one of the nation's bloodiest prison gangs and criminal organizations, La Nuestra Familia. It began inside the California prison walls and spread to the streets of California and America, the land of the free and the home of the brave and of bloody men like me who were baptized in the blood and fed from the table of bloody men, taught in the knowledge and ways of tried and proven warriors who have been to hell and back again. Home of murderers and thieves who dared to believe that we could become something and somebody, not just inside of California prison walls, but even reaching out into the very streets and society from which we had been sentenced to be forgotten by the rest of the world. But we were men who refused to be forgotten, and with the blood of our enemies, we would carve our names upon the pages of criminal history. And we did.

I deserved to be crucified for the blood that stained my whole life and the crimes I've committed and the evil I had done. Like that one thief on the cross next to Jesus who found grace in God's eyes, God remembered me too, and now I am trying to live my life as an instrument of God's mercy to men who are as I used to be—murderers, thieves, and organized gangsters.

This book was written raw, just as it was lived.

The good, the bad and the ugly - Awesome job Sundown!

By Stacy L Robles

Is a very raw, true story of a man's life journey. The author lays it all out there, nothing held back - the good, the bad and the ugly. I commend him on his bravery of putting it all out on his sleeves for the world to read. Definitely recommend this book to all those who enjoy true crime stories, those who are simply curious about the La Nuestra Familia, or those that are simply curious about survival in the prison world and the violence and the loneliness that comes with that life. Great read!!

By Karie

WOW! Loved this book. One of the best books I have ever read. It was so good I will read it again and again. Ever page was great. Didn't want to put it down. Lets you believe everyone deserves a second chance. True view of prison life and how it affects people, was a real eye opener. The author was so great makes you feel as if you know the people he writes about. A movie producer should pick this up. This would make a fascinating movie! God bless your beautiful family, may you find peace and happiness.
